

Creating a floating offshore wind champion

BW Offshore invests in Ideol S.A.

17 February 2021

Marco Beenen, CEO, BW Offshore

Paul Dupin de la Guérivière, CEO, Ideol

BW *ideol*

Disclaimer and important information

THIS PRESENTATION AND ITS CONTENTS ARE CONFIDENTIAL AND NOT FOR DISTRIBUTION OR RELEASE, IN WHOLE OR IN PART, DIRECTLY OR INDIRECTLY, IN OR INTO THE UNITED STATES OF AMERICA (INCLUDING ITS TERRITORIES AND POSSESSIONS, ANY STATE OF THE UNITED STATES OF AMERICA AND THE DISTRICT OF COLUMBIA) (THE "UNITED STATES"), AUSTRALIA, CANADA, THE HONG KONG SPECIAL ADMINISTRATIVE REGION OF THE PEOPLE'S REPUBLIC OF CHINA OR JAPAN, OR ANY OTHER JURISDICTION IN WHICH THE DISTRIBUTION OR RELEASE WOULD BE UNLAWFUL. THIS PRESENTATION IS NOT AN OFFER OR INVITATION TO BUY OR SELL SECURITIES IN ANY JURISDICTION.

This Presentation and its appendices (the "Presentation") has been produced by BW Offshore (the "Company", and together with its direct and indirect subsidiaries, the "Group") solely for information purposes in connection with an analyst presentation. This document and the information contained herein is being made available on a strictly confidential basis to selected analysts and may not be disclosed, reproduced or redistributed, directly or indirectly, to any other person or published or used in whole or in part, for any purpose. This Presentation, and the information contained herein, does not constitute or form part of, and is not prepared or made in connection with, an offer or invitation to sell, or any solicitation of any offer to subscribe for or purchase any securities of the Company and nothing contained herein shall form the basis of any contract or commitment whatsoever. By attending a meeting where this Presentation is made, or by reading the Presentation slides or by otherwise receiving this Presentation or the information contained herein, you agree to be bound by the following terms, conditions and limitations. Any failure to comply with the restrictions set out herein may constitute a violation of applicable securities laws or may result in civil, administrative or criminal liabilities. For the purposes of this notice, "Presentation" means and includes this document and its appendices, any oral presentation given in connection with this Presentation, any question-and-answer session during or after such oral presentation and any written or oral material discussed or distributed during any oral presentation meeting. No representation, warranty or undertaking, express or implied, is made by the Company, its affiliates or representatives as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information or the opinions contained herein, for any purpose whatsoever. Neither the Company nor any of its affiliates or representatives shall have any responsibility or liability whatsoever (for negligence or otherwise) for any loss whatsoever and howsoever arising from any use of this Presentation or its contents or otherwise arising in connection with this Presentation.

This Presentation speaks as of the date hereof. All information in this Presentation is subject to updating, revision, verification, correction, completion, amendment and may change materially and without notice. None of the Company, its affiliates or representatives undertakes any obligation to provide the recipient with access to any additional information or to update this Presentation or any information or to correct any inaccuracies in any such information. The information contained in this Presentation should be considered in the context of the circumstances prevailing at the time and has not been, and will not be, updated to reflect developments that may occur after the date of this Presentation. These materials do not purport to contain a complete description of the Group or the market(s) in which the Group operates, nor do they provide an audited valuation of the Group. The analyses contained in these materials are not, and do not purport to be, appraisals of the assets, stock or business of the Group or any other person. Moreover, these materials are incomplete without reference to, and should be viewed and considered solely in conjunction with, the oral briefing provided by an authorised representative of the Company in relation to these materials. The Company have not authorised any other person to provide any persons with any other information related to the Group and the Company will not assume any responsibility for any information other persons may provide.

An investment in the Company involves a high level of risk and several factors could adversely affect the business, legal or financial position of the Group or the value of the Company's shares. All recipients should carefully review the information contained elsewhere in the Presentation, for a description of certain of the key risk factors that will apply to an investment in the Company's shares. If any of these risks were to materialise, this could have a material adverse effect on the Group, its financial condition, results of operations, liquidity and/or prospects, the market value of the Company's shares could decline, and investors may lose all or part of their investment. An investment in the Company is suitable only for investors who understand the risk factors associated with this type of investment and who can afford a loss of all or part of their investment.

The contents of this Presentation are not to be construed as financial, legal, business, investment, tax or other professional advice. Each recipient should consult with its own financial, legal, business, investment and tax advisers to receive financial, legal, business, investment and tax advice. In particular, nothing herein shall be taken as constituting the giving of investment advice and these materials are not intended to provide, and must not be taken as, the exclusive basis of any investment decision or other valuation and should not be considered as a recommendation by the Company (or any of their affiliates) that any recipient enters into any transaction. These materials comprise a general summary of certain matters in connection with the Group. These materials do not purport to contain all of the information that any recipient may require to make a decision with regards to any transaction. Any decision as to whether or not to enter into any transaction should be taken solely by the relevant Recipient. Before entering into such transaction, each recipient should take steps to ensure that it fully understands such transaction and has made an independent assessments of the appropriateness of such transaction in the light of its own objectives and circumstances, including the possible risks and benefits of entering into such transaction.

This Presentation contains forward-looking information and statements relating to the business, financial performance and results of the Group and/or industry and markets in which it operates. Forward-looking statements are statements that are not historical facts and may be identified by words such as "aims", "anticipates", "believes", "estimates", "expects", "foresees", "intends", "plans", "predicts", "projects", "targets", and similar expressions. Such forward-looking statements are based on current expectations, estimates and projections, reflect current views with respect to future events, and are subject to risks, uncertainties and assumptions. Forward-looking statements are not guarantees of future performance and risks, uncertainties and other important factors could cause the actual results of operations, financial condition and liquidity of the Group or the industry to differ materially from this results expressed or implied in this Presentation by such forward-looking statements. No representation is made that any of these forward-looking statements or forecasts will come to pass or that any forecast result will be achieved and you are cautioned not to place any undue influence on any forward-looking statement.

The recipient acknowledges and accepts that it will be solely responsible for its own assessment of the Group, the market, the Group's market position, the Group's funding position, and the potential future performance of the Group's business and the Company's shares.

The Company's shares have not been and will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act"), or with any securities regulatory authority of any state or other jurisdiction in the United States, and may not be offered, sold, resold, pledged, delivered, distributed or transferred, directly or indirectly, into or within the United States, absent registration under the U.S. Securities Act or under an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act or in compliance with any applicable securities laws of any state or jurisdiction of the United States. Accordingly, any offer or sale of securities will only be offered or sold (i) within the United States or to U.S. Persons, only to qualified institutional buyers as defined under Rule 144A under the Securities Act ("QIBs") in offering transactions not involving a public offering and (ii) outside the United States in offshore transactions in accordance with Regulation S. Any purchaser of securities in the United States, or to or for the account of U.S. Persons, will be deemed to have been made certain representations and acknowledgements, including without limitation that the purchaser is a QIB.

The Company has not authorized any offer to the public of securities, or has undertaken or plans to undertake any action to make an offer of securities to the public requiring the publication of an offering prospectus, in any member state of the European Economic Area. No prospectus has or will be prepared in connection with this Presentation and the information contained herein. This Presentation is only addressed to and directed at persons in member states of the European Economic Area who are "qualified investors" within the meaning of Article 2 (E) of the Prospectus Regulation (Regulation (EU) 2017/1129).

Neither this Presentation nor the information contained herein is being issued, and nor may this Presentation nor the information contained herein be distributed, directly or indirectly, to or into any jurisdiction in which such issuance and/or distribution would be unlawful.

By accepting these materials, each recipient represents and warrants that it is able to receive them without contravention of an unfulfilled registration requirements or other legal or regulatory restrictions in the jurisdiction in which such recipients resides or conducts business. This Presentation is subject to and governed by Norwegian law, and any dispute arising in respect of this Presentation is subject to the exclusive jurisdiction of Norwegian courts with Oslo District Court as exclusive legal venue.

A catalyst for accelerating growth

- BW Offshore to invest in Ideol S.A., creating a global integrated floating offshore wind company with market-leading capabilities
- Expected to own ~50% of the renamed BW Ideol post a contemplated capital raise and listing on Euronext Growth
- Accelerating BW Ideol's growth and value creation potential with BW Offshore as industrial partner
- Targeting completion of the private placement and listing by end-March with BW Offshore as anchor investor
- BW Offshore and Ideol founders to remain long-term owners post listing

Two highly complementary businesses creating a floating offshore wind champion

ideol

Proven, market leading patented floater technology

Unique track-record with operational assets in France and Japan

Innovation and scalability driving cost competitiveness

Experienced, integrated team covering all project phases

Global project development pipeline and partnerships

+

BW OFFSHORE

Deepwater capabilities and engineering competence

Global organisation and supply chain

Four decades of experience from 40 offshore projects

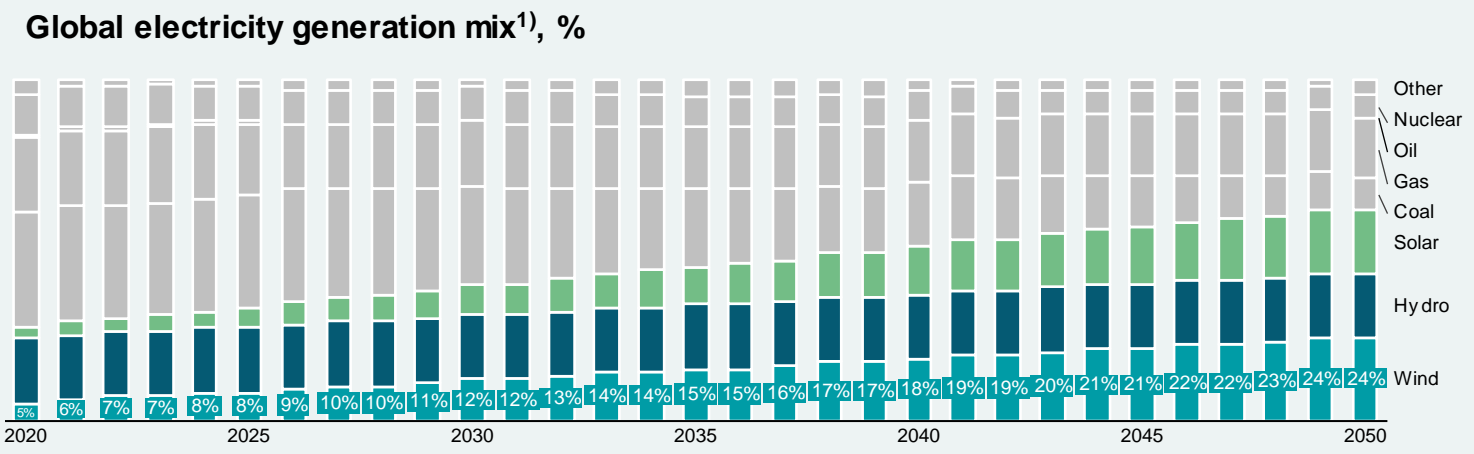

Execution capabilities for large scale constructions

Financing and investor relations

Accelerated renewable energy production led by wind

Shift to renewable energy sources...

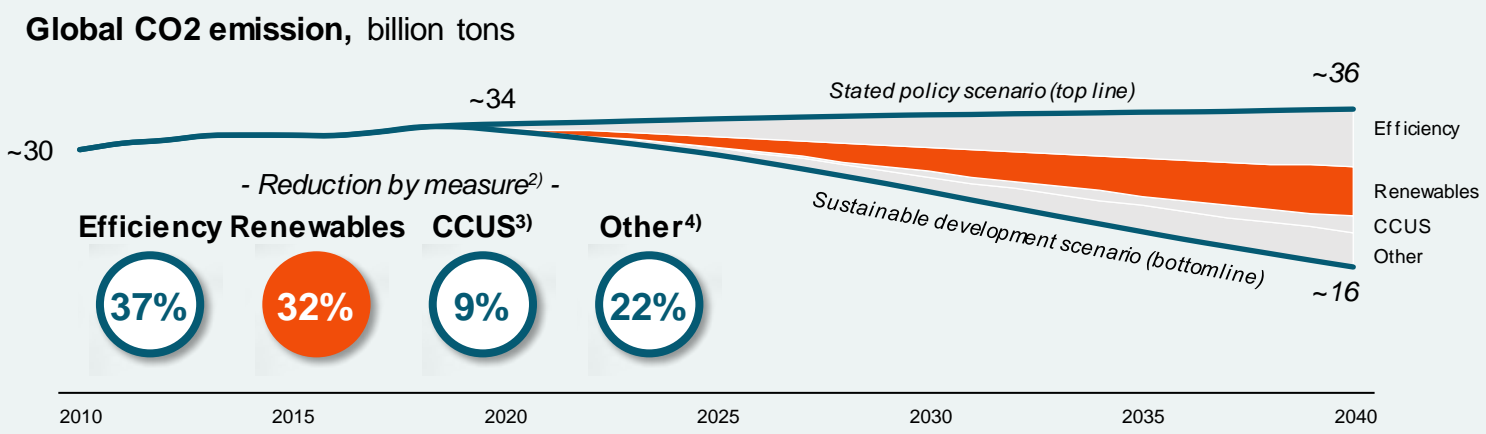

Wind expected to become the largest renewable energy source

- ✓ Renewables expected to comprise >60% of global electricity generation by 2050
- ✓ Floating wind needed to unlock the potential

...key to drive down global CO2 emissions

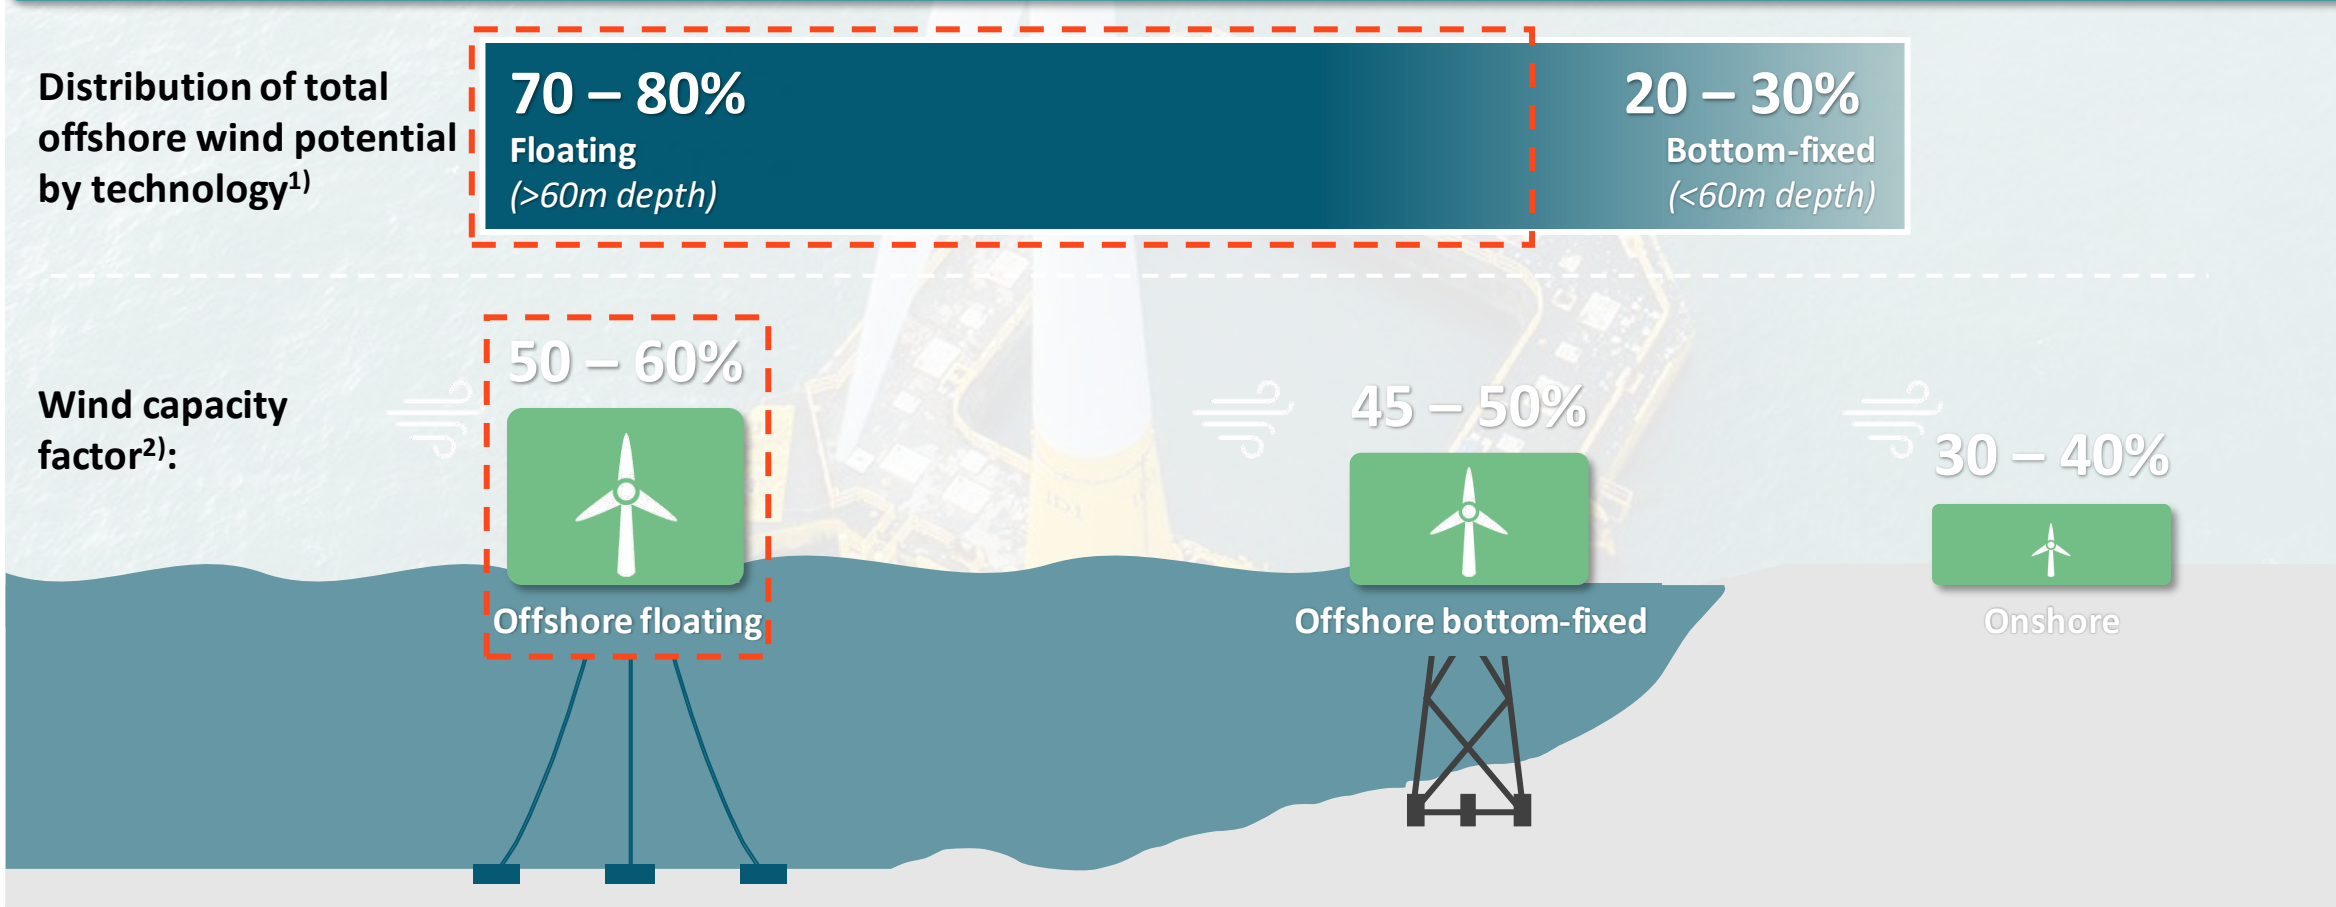

Accelerated need for renewables to meet climate goals

- ✓ Renewables expected to account for ~32% of reductions to move from the stated policy scenario to the sustainable development scenario in 2040

1) Bloomberg New Energy Finance; 2) Expected reductions to meet UN Sustainable development scenario; 3) Carbon capture, utilisation and storage; 4) Fuel switching, nuclear and other

Deep-water wind is key to unlocking effective renewable energy

Largely unlimited potential for floating offshore wind which has superior wind conditions

1) Europe, US, Japan and Taiwan included based on Carbon Trust and Industrial Technology Research Institute. 5x total installed low-carbon capacity in 2017 (solar, onshore wind, offshore wind and hydropower); 2) Capacity factor may vary from project to project | Source: Wood Mackenzie Power & Renewables: The Momentum of Floating Wind and its Outlook Implications (Dec 19); Fortune Business Insights

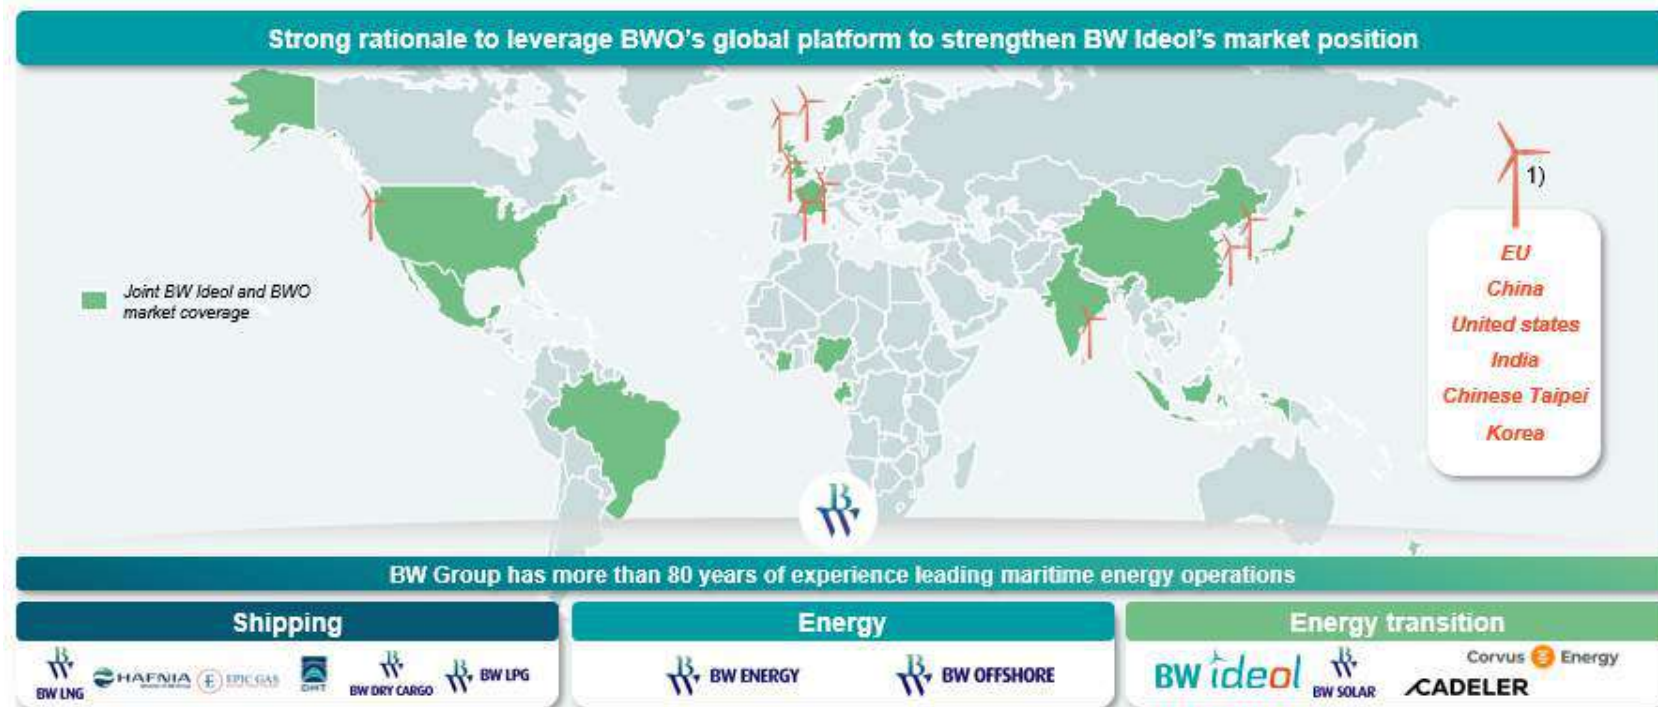

Founded on Ideol's unique floating offshore wind technology

- Established provider of floating foundations for offshore wind
- Over 10 years of experience from engineering and supporting floating offshore wind projects from conception to installation
- 60 employees, of which 90% engineers covering all floating wind technology and project development disciplines
- Two full-scale demonstrators installed based on Ideol's patented dampening pool floater design
- Fully proven technology with more than two years of operational experience
- Sizeable project pipeline as co-developer in Japan, Europe and the US

Supported by an industrial owner with a extensive maritime track record

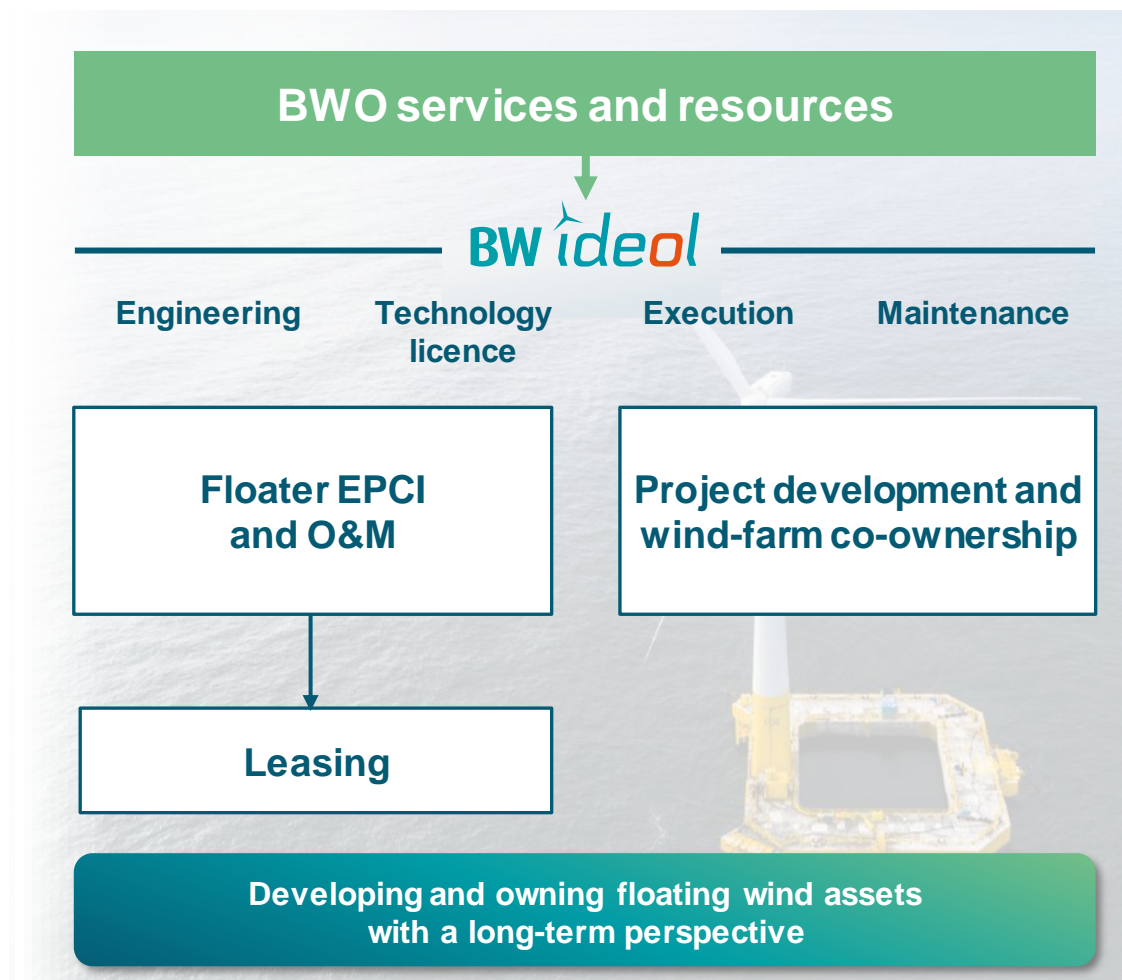

- 40 years of offshore energy production experience
- Successful execution of 40 FPSO/FSO projects
- Operating active fleet of 10 units
- Substantial offshore engineering, installation and operations capabilities

¹⁾ Countries with policies targeting at least 10 GW of offshore wind by 2030 | Source: Offshore Wind Outlook (2019)

Early mover positioning for global leadership within offshore floating wind

- Designing, building, operating and owning floating wind projects world-wide
- Ideol's competitive and proven floating wind technology is a key enabler to win upcoming projects
- BW Offshore strengthens Ideol's development and execution capabilities leveraging extensive track record from complex offshore industrialisation
- Capital raise and listing are key enablers to realise attractive project pipeline
- BW Ideol will be a robust company with a strong project portfolio and high growth prospects

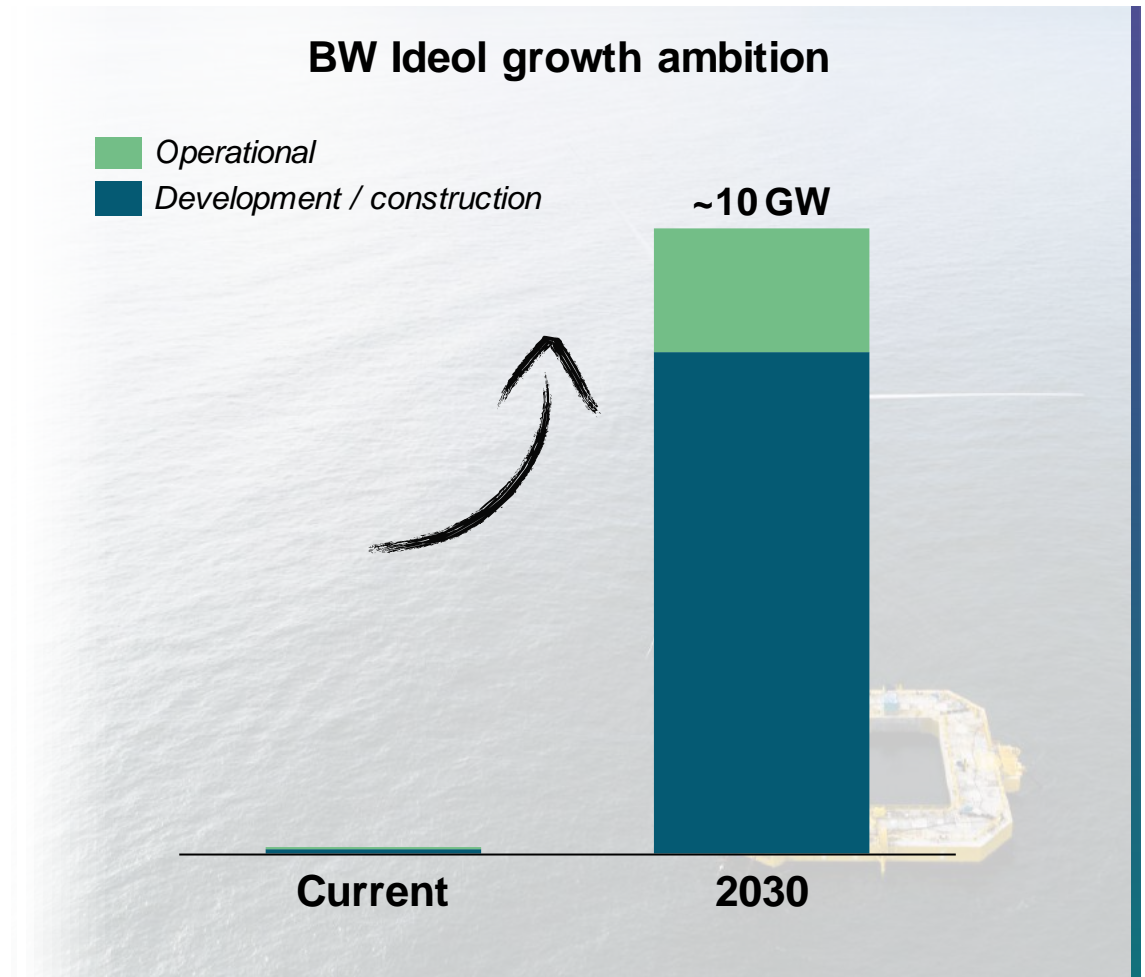

A floating offshore wind champion

Early mover with proven floating wind technology

Integrated business model covering full asset lifecycle

Global platform supported by BW Offshore's leading offshore capabilities

10 GW of projects by 2030 via extensive pipeline and partnerships

Details on transaction and contemplated listing

- BW Offshore to invest EUR 60 million to attain ~50% ownership in BW Ideol post contemplated capital raise and listing of BW Ideol as a separate company on Euronext Growth
- Investment and participation in private placement as anchor investor to be funded by existing liquidity reserves
- BW Ideol founders and employees to hold ~20% post capital raise and lead the company backed by BW Offshore as a long-term industrial partner
- Targeting capital raise and listing by the end of March
- Financial and legal advisers have been appointed

Thank you
